Keep bag tightly closed, away from moisture and light. Mantenga la bolsa cerrada, alejada de la humedad y luz.

Keep out of reach of children. For best results use by the *expiration* date stamped on this bag.

Natural Guard® Brand by ferti•lome® fertilizers are made with Jobe's Biozome, a unique and proprietary blend of beneficial microorganisms. These microorganisms break down complex materials and minerals to improve long-term soil quality, helping roots grow to absorb nutrients plants need. Jobe's Biozome naturally re-establishes a balance between plant and soil.
