EcoSMART
Technologies

Manufactured for:
EcoSMART TECHNOLOGIES, INC.
3600 Mansell Road, Suite 150
Alpharetta, GA 30022

MADE IN USA

US Patent Nos. 6,004,569, 6,114,384, 6,342, 536 and 6,376,556. US and Foreign Patent Pending, Item No. 33115. EcoSMART, EcoSMART Organic, and the EcoSMART Technologies logo are trademarks of EcoSMART Technologies, Inc. ©2009 EcoSMART. All Rights Reserved.

**SHAKE WELL
BEFORE USING**

DIRECTIONS FOR USE:

**SHAKE WELL BEFORE USING.
READ ENTIRE LABEL AND USE ACCORDINGLY.**

USING THE HOSE END SPRAYER:

1. Connect sprayer to hose. Make sure the dial indicator on the nozzle is in the "OFF" position behind the safety tab.
2. Turn on water. Extend the hose to the farthest area to be treated and work back towards the faucet to ensure complete coverage.
3. To BEGIN spraying, point nozzle towards treatment site. Bend small plastic safety tab back with your thumb and turn knob clockwise until it stops in the "ON" position. Water will automatically mix with the product.
4. Spray as directed in the instructions for each use site below.
5. To "STOP" spraying, bend small plastic safety tab back and turn the knob counter-clockwise until the dial indicator is in the "OFF" position behind the safety tab.
6. Turn water off. To relieve pressure before removing sprayer from hose, bend the safety tab back and turn dial to "ON" until water stops spraying. Then turn back to "OFF" position.
7. Disconnect sprayer from hose.

LAWN APPLICATIONS:

KILLS AND REPELS: Surface insects including Ants (including Carpenter, Red Harvester, Pavement and Argentine), Armyworms, Billbugs, Chinch Bugs, Crickets, Cutworms, Earwigs, Fleas, Japanese Beetles (adults), Lawn Moths (Sod Webworms), Millipedes, Mites, Mole Crickets, Mosquitoes, Sowbugs, Spittlebugs, Springtails, Ticks and other lawn insects.

HOW TO APPLY: Use entire bottle (1 quart) of EcoSMART Organic Insect Killer Concentrate to treat 5,000 sq. ft. of lawn. Apply over desired area as a thorough coverage spray. Delay watering or mowing for 24 hours after application for optimum control of surface insects. Repeat as necessary.

APPLICATIONS TO ORNAMENTAL TREES, SHRUBS & FLOWERS:

KILLS AND REPELS: Ants (including Carpenter, Red Harvester, Pavement, and Argentine), Armyworms, Azalea Caterpillars, Aphids, Bagworms, Boxelder Bugs, Budworms, Cockroaches, Crickets, cutworms, Elm Leaf Beetles, European Sawflies, Fall Webworms, Flea Beetles, Japanese Beetles (adults), June Beetles (adults), Lace Bugs, Leaf-feeding Caterpillars, Leafhoppers, Leafminers (adults), Leafrollers, Midges, Pillbugs, Pine Sawflies, Pine Shoot Beetles, Pinetip Moths, Plant Bugs, Sawflies, Scale Insects (crawlers), Spiders, Spittlebugs, Thrips, Tip Moths, Clover Mites, Mealybugs, Pineneedle Scales (crawlers), Spider Mites, Whiteflies and other outdoor insects.

HOW TO APPLY: Apply as a thorough foliar spray. Wet leaves and branches to the dripping point. Try to spray underside of leaves and penetrate dense foliage. Apply every 5 to 7 days when insects are present. Repeat as necessary.

EcoSMART®

APPLICATIONS AROUND HOUSE FOUNDATIONS, PORCHES & PATIOS:

KILLS AND REPELS: Ants (including Carpenter, Red Harvester, Pavement and Argentine), Centipedes, Cockroaches (Palmetto Bugs), Crickets, Earwigs, Fleas, Flies, Millipedes, Mosquitoes, Scorpions, Sowbugs, Spiders, Ticks and other outdoor Insects.

HOW TO APPLY: To keep insects from entering the house, spray a 2 foot band around the house next to the foundation. Also, spray the foundation of the house to a height of 2 feet. Repeat every 4 weeks or as necessary.

NOTE: This product is non-staining to most home siding materials. However, before applying to any home siding (vinyl siding in particular), test in an inconspicuous area and recheck in a few hours. Do not use if any staining is observed.

USE TIPS: 1. Spray to runoff. 2. Hard to control insects may require 2 to 3 applications. 3. If temperature is expected to exceed 85° F, spray in early morning or early evening when it is cooler. 4. For best results, apply to both sides of plant leaves and all plant surfaces where insects are found. 5. Treat fresh mulch/straw beds to eliminate pest harborage areas.

PRECAUTIONARY STATEMENTS: Caution - We recommend good safety practices when using any pesticide, such as avoiding contact with eyes and skin and keeping out of the reach of children. If product gets in eyes, flush with water. If on skin, wash with soap and water. If irritation persists, contact a physician.

STORAGE AND DISPOSAL: Make sure dial is turned to "OFF" position. Store in original container in a cool, dry area and avoid excess heat. Keep from freezing. Do not reuse container. Offer for recycling if available or discard in trash.

LIMITATION OF LIABILITY: To the extent consistent with applicable law, EcoSMART makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

This product has not been registered by the United States Environmental Protection Agency. EcoSMART Technologies, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.
