

## Liquid Lime Plus™ • Net Volume 2 1/2 Gallons per Jug • Net Weight 40 lbs. Per Jug

Liquid Lime Plus™ is a pulverized limestone concentrate that is easy to use and effective in quickly increasing soil pH for agricultural and land reclamation applications.

### Guaranteed Analysis

#### Dry Basis

Minimum by Weight

Per Gallon.....	12 lbs.
Solids.....	100%
Calcium Carbonate Equivalent (CaCO <sub>3</sub> ).....	98%
Calcium (Ca).....	39.2%
Magnesium (Mg).....	0%
Relative Neutralizing Value.....	98%
(Total Neutralizing Power)	
Non Corrosive.....	pH 9.5
In California, disregard "Dry Basis" Analysis.	
Only the "Liquid Basis" is applicable. Product sold "as is."	
In Ohio, Effective Neutralizing Power (ENP) is 1400 lbs. per ton.	

#### Minimum

100% passing through 8 mesh sieve
100% passing through 10 mesh sieve
100% passing through 20 mesh sieve
100% passing through 40 mesh sieve
100% passing through 60 mesh sieve
100% passing through 100 mesh sieve
99.9% passing through 200 mesh sieve
99.9% passing through 400 mesh sieve

### Guaranteed Analysis

#### Liquid Basis

By Weight

Per Gallon.....	16 lbs.
Solids.....	75%
Calcium Carbonate Equivalent (CaCO <sub>3</sub> ).....	73%
Calcium (Ca).....	25.65%
Magnesium (Mg).....	0%
Relative Neutralizing Value.....	73%
(Total Neutralizing Power)	
Non Corrosive.....	pH 9.5
For use in North Carolina: 2571 lbs. Of this material equals one ton of standard liming material (liquid basis).	

### Physical Characteristics

Viscosity.....	less than centipose
Dispersibility.....	water
Freezing Stability.....	store above 40°F

### Directions and Application

Use as a result of a soil analysis at rates recommended by such analysis. Shake thoroughly before use. When stored for more than 30 days the container should be shaken periodically to ensure pourability. Apply with suitable spraying equipment. Constant agitation is required such as in commercial hydroseeders. For small areas a hand sprinkling can may be used.

### Caution

Avoid breathing vapors and mist. May cause respiratory irritation. Use in a ventilated area. Avoid contact with eyes and skin. If in contact with eyes or skin, wash thoroughly with water. If taken internally, contact a physician. If irritation develops from eye or skin contact, consult a physician.
