MOSS OUT!™ FOR LAWNS kills moss in lawns so grass can grow into thick lush turf.

Moss grows on the soil surface in lawns where it competes with the turf, causing the grass to thin-out and creating an excessive build-up of thatch. Shaded or poorly-drained acidic areas encourage moss growth especially if the turf is undernourished. Apply **MOSS OUT!™ FOR LAWNS** to these areas when the moss is actively growing. Make applications as needed, beginning with the first fall rains, during warm, rainy, winter periods, or in early spring. Encourage strong turf development by applying a Lilly Miller Ultragreen® or Rapid Green™ fertilizer as directed. This will help prevent further moss growth.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

SHAKE WELL BEFORE USING. Please read entire label. Use only as directed. Observe all precautions.

USE PRECAUTIONS: **MOSS OUT!™ FOR LAWNS** is for use on lawn or turf only. Contact with concrete, brick, tile, wood or painted surfaces can cause severe staining. Since **MOSS OUT!™ FOR LAWNS** can cause corrosion to galvanized metal, apply only with plastic sprinkling can or hose-end sprayer. Use Lilly Miller® Moss Out!™ For Roofs and Structures to control moss on roofs, patios and other surfaces. See label for directions.

MOSS IN LAWNS AND TURF

1. Mix at the rate of 1/2 pint (8 fl. oz. or 16 Tablespoons) **MOSS OUT!™ FOR LAWNS** in 3 gallons of water for each 125 sq. ft. to be treated.
2. Apply with plastic sprinkling can or hose-end sprayer. **MOSS OUT!™ FOR LAWNS** can corrode galvanized metal.
3. When sprinkling or spraying mossy area, be sure to soak the moss growth thoroughly. Treated moss should turn a dark, or black color. Action is most rapid in warm, dry weather.
4. Rinse equipment with water after use.
5. To improve appearance of lawn or turf, rake out dead moss a few days after treatment.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store this product in its original container and keep in a locked storage area out of reach of children and domestic animals. Close cap tightly after each use. Keep from freezing. **PESTICIDE DISPOSAL:** **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. **CONTAINER DISPOSAL:** **If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378. All other inquiries: info@excelmktg.com.

NOTICE: To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Do not get in eyes, on skin, or on clothing. Wear safety glasses. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling. Do not allow persons or pets in treated areas until sprays have dried.

FIRST AID

Have product container or label with you when calling a poison control center or doctor, or going for treatment. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. **If on skin or on clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

OUR COMMITMENT TO YOUR SATISFACTION: If you are not happy with the way this product works, please let us know. We will be happy to replace the product, refund your money, or substitute another Lilly Miller product. Simply send your name, address and proof of purchase to the address below.
