HOW TO USE THE READY-TO-SPRAY SYSTEM

Connect

1. Shake well before using.
2. Connect sprayer to hose.
3. Turn on water.

Spray

1. To begin spraying, point nozzle in the direction you want to spray.
2. [Bend small plastic tab back and] Turn knob [clockwise] to ON position.
3. Spray evenly to the area to be treated. Refer to the clear view strip (graduated scale) on the side of the container to determine how much product has been sprayed.

Finish

1. To stop spraying, [turn knob counter clockwise] to OFF position.
2. Turn off water.
3. Relieve water pressure by [bending plastic tab back and] turning knob to ON position until water slows to a drip. Then turn knob back to OFF position.
4. Disconnect sprayer from hose.

PRECAUTIONARY STATEMENTS

**CAUTION: KEEP OUT OF REACH OF CHILDREN.
AVOID CONTACT WITH EYES, SKIN, OR CLOTHES.**

STORAGE AND DISPOSAL:

Store only in original container, in a dry place inaccessible to children and pets.

Do not reuse empty container. Discard empty container in trash. Do not apply directly to water.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with Directions.

This product has not been registered by the United States Environmental Protection Agency. Voluntary Purchasing Groups, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act. FIFRA 25(b) Exempt Pesticide.

Safe for children and pets when used as directed.

PRODUCT INFORMATION

This product may be used to repel Eastern moles (*Scalopus aquaticus*) from Lawns, Gardens and Flower Beds. Keep children and pets off treated areas until completely dried.

LOCATING MOLES

The presence of moles may be indicated by a network of surface ridges in the turf or by a series of conical mounds of earth pushed up from deep burrows. Treat all areas that show signs of Moles' presence.

APPLICATION DIRECTIONS

SHAKE WELL BEFORE USING.

Spray this product over mole infested area at a rate of one quart of product per 10,000 sq. ft.
