

ABSORBINE

ULTRASHIELD®

Fly Control flexibility that always has you covered.

Your fly control needs change depending on the weather, insect intensity, and your horse's activity level. With four fly control options, UltraShield® lets you rotate your fly sprays for the most effective, affordable fly control we offer.

ULTRASHIELD® EX

Our Most Advanced Protection

Designed for the most challenging conditions

- First weatherproof, sweat-resistant formula able to provide up to 17 days of fly control
- Kills and repels biting and nuisance flies, mosquitoes, ticks, and gnats on horses and ponies
- Also for use on dogs and as a premise spray

ACTIVE INGREDIENTS: Pyrethrins 0.10%, permethrin 0.50%, piperonyl butoxide 1.00%

AVAILABLE IN: 4 oz. Easy Swipe®, 32 oz. Spray, 15 oz. Continuous Spray, Gallon Bottle

ULTRASHIELD® RED

Effective 24/7 Protection

For turn-out, training, and trail rides under normal conditions

- Broad-spectrum control for killing flies, mosquitoes, and ticks
- Stays active for up to seven days
- Contains a unique combination of five active ingredients

ACTIVE INGREDIENTS: Pyrethrins 0.025%, permethrin 0.90%, tetramethrin 0.25%, cypermethrin 0.10%, piperonyl butoxide 1.00%

AVAILABLE IN: 32 oz. Spray, Gallon Bottle

ULTRASHIELD® SPORT

Sweat-Resistant Protection

For heavy workouts in the hottest, most humid weather

- Kills and repels flies and mosquitoes, including those that may transmit West Nile Virus
- Citronella-scented spray stays active for up to 14 days

ACTIVE INGREDIENT: Cypermethrin 1.00%

AVAILABLE IN: 32 oz. Spray, 15 oz. Continuous Spray, Gallon Bottle

ULTRASHIELD® GREEN

Natural Protection

Eco-safe protection for the entire family

- Contains seven essential oils known for their repellent qualities
- Repels and controls biting flies, mosquitoes, and gnats
- Proven to work for up to eight hours on horses, ponies, and dogs

ACTIVE INGREDIENTS: Thyme oil 0.01%, cedar oil 0.05%, lemongrass oil 0.05%, rosemary oil 0.05%, citronella oil 0.06%, clove oil 0.08%, geraniol 0.70%, sodium lauryl sulfate 2.50%

AVAILABLE IN: 2 oz. and 4 oz. Travel Bottles, 32 oz. Spray, Gallon Bottle
