# PURE dl-Methionine Powder

Concentrated Feed Supplement

NOT FOR RESALE

Net Weight: 16 ounces (454Gm)

Animed's dl-Methionine is a highly concentrated amino acid feed supplement. Methionine is one of the essential amino acids (the building blocks of protein); it supplies sulfur and other compounds required by the body for normal metabolism and growth. Healthy hair, coat, skin, and hooves are given extra support by supplementing with dl-Methionine. Methionine also helps support normal function of the urinary tract.

**FEEDING DIRECTIONS:**

Horses: Feed 1/2 ounce (1 tablespoon) per day mixed with normal feed ration. Or, as directed by a veterinarian.

**FOR ANIMAL USE ONLY. KEEP OUT OF THE REACH OF CHILDREN.**
