TOTAL:..... 100.000%

KEEP OUT OF REACH OF CHILDREN CAUTION

EPA Reg.No. 67702-52-89459
EPA Est. No. 2724-TX-1

RESIDENTIAL AREAS:

Use indoors and outdoors around single and multi-family residential buildings: along baseboards, in corners of rooms and cabinets, under and behind appliances, under sinks, in pantry, on window sills, around doorways, around garbage cans, on or around decks, patios, balconies, garden paths, ornamentals, lawns, electrical conduits, vents, pipe chases, concrete slabs, crawlspaces, skylights on roofs, sidewalks, and driveways; in home greenhouses, on ground around home or structure, and other areas where listed ants are found.

INDUSTRIAL AND RECREATION AREAS:

Use outdoors in industrial, commercial and recreational areas: warehouses, processing facilities/plants, railyards, roadsides, rights of way, golf courses, parks, playgrounds, athletic fields, hotel and motel landscaping, campgrounds.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters.

Personal Protective Equipment (PPE): Mixers/loaders and other handlers must wear the following: long-sleeved shirts, long pants, shoes, socks plus gloves made of any waterproof material. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist,

use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read and follow all applicable directions and precautions on this label before using.

APPLICATION DIRECTIONS

Set empty bait station beside ant mounds and nests, ant trails, or where listed ants crawl before filling with Antack™ Liquid Ant Bait.

Follow the filling instructions for the bait station purchased separately. When foraging ants are no longer visiting the

bait station, the bait station may be cleaned and moved to a different location. Use two or more bait stations to treat larger nests of listed ants (excluding foraging fire ants, carpenter ants, harvester ants and pharaoh ants).

Avoid applying in direct sun to decrease evaporation of the bait solution. Refill when the Antack™ Liquid Ant Bait has been consumed or dried out.

RESTRICTIONS

1. Use only tamper proof and spill resistant bait stations when used indoors and outdoors if children and pets have access to the treatment area.
2. Place bait stations in areas inaccessible to children and pets.
3. Do not use this product without a bait station or apply product directly to soil or plant parts.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **PESTICIDE STORAGE:** Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in sanitary landfill or by incineration.
