

ASSURED™

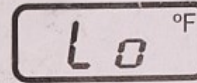

Digital Thermometer

Product features:

- 60 second fast read.
- Fever alert - 3 beep burst for 10 seconds if temperature is over 100°F.
- Temperature reading from 90.0 - 109.2°F.
- For oral, rectal, & armpit use.
- Easy to use On/Off Button & 10 min auto shut-off.
- Durable rigid tip.

Instructions for use:

1. Always disinfect the probe tip with alcohol before use or use a probe cover*.
2. Push On/Off button and wait for the LCD screen to read "Lo"*** with a flashing "°F".
3. Position in mouth, rectum or armpit as per the instruction manual***.
4. Read temperature after beep is heard.

*Probe Covers Sold Separately.

** "Lo" does not mean 'Low Battery'. "Lo" indicates that the temperature the thermometer is reading is below 90 °F. At normal room temperatures, "Lo" indicates the thermometer is functioning properly.

***To ensure proper use and function, please read all instructions in the included manual before using.
