MATERIAL SAFETY DATA SHEET

Page 1

1 Identification of substance

Trade name: WFLC-1101-CU

Manufacturer/supplier:

WEIFANG LONGTENG CHEMICAL CO.,LTD. Emergency information: Manufacturer/Supplier

2. Composition/Data on Components

Chemical characterization

Description: Calcium Chloride

Components:

Calcium Chloride 94-97%min NaCl 5max MgCl₂: 0.5%max Ca(OH)₂: 0.25%max

Water Insoluble:0.25%max

3. Hazards identification

Hazard designation:

Information pertaining to particular dangers for man and environment

Harmless in contact with skin and if swallowed.

4. First aid measures:

General information

Instantly remove any clothing soiled by the product.

After inhalation seek medical treatment in case of complaints.

Clean affected area with plenty of water.

Of skin irritation continues, consult a doctor.

After eye contact

Rinse opened eye for several minutes under running water.

Call a doctor immediately.

After swallowing

Rinse out mouth and kin drink plenty of water.

Seek medical treatment.

5. Fire fighting measures:

Suitable extinguishing agents.

It is mot burnt

6. Handing and storage

Handing

Information for safe handing:

Working at dry workplace

Storage

Requirements to be dry storeroom and containers:

No material requirements

Further information about storage conditions:

Store in cool, dry conditions in dry containers.

7.Exposure controls and personal protection

Additional information about design of technical systems:

Personal protective equipment

General protective and hygienic measures

Wash hands during breaks and the end of the work

Take off immediately all contaminated clothing.

Avoid contact with eyes and skins.

Do not inhale dust/smoke/mist.

Breathing equipment: Not necessary if room is well-ventilated

Protection of hands: Protection gloves.

Eye protection: Tightly sealed safety glasses. Body protection: Protective work clothing.

8. Physical and chemicals properties:

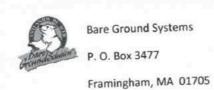

Form: pellet

9. Color: White

Solubility in/Miscibility with Water: easy soluble

PH-value: 9

Continued on page 2

MATERIAL SAFETY DATA SHEET

10. Accidental Release Measures:

General Information:Use proper personal protective equipment as indicated in Use process enclosur,local exhaust ventilation,or other engineering controls to control airborne levels

Sprill/Leaks: Absorb spill with absorbsent(Vermiculite, sand, fuller's earth) and palce in plastic bags for later disposal

11. Stability and Reactivity

Chmeicals Stability:Stable under normal temperatures and pressure. Conditions to Avoide:Incompatible materials.

12. Toxicological Information:

CAS #:10043-52-4

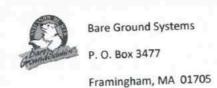

Epidemiology: No data available
Teratogenicity: No data available

Reproductive Effects: No data available

Neurotoxicity: No data available G

Mutagenicity: No data available

Other Studies: No dara available

MATERIAL SAFETY DATA SHEET

13. Uncleaned packing

Empty contaminated packaging thoroughly. They can be recycled after Thorough and proper cleaning.

Disposel must be made according to official regulation.

14. Transport information

No dangerous good according to incernational transport regulations

15.Regulatory information

Designation according to EC guidelines

Hazard-determining components of labeling :no

Risk phrases

Do not breath dust

Avoid contact with skin

In case of contact with yes, rinse immediately with plenty of water are seek Medical advise.

16. Other information:

This data is based on our present knowledge. However, it shall not construe A guarancee for any specific product features and shall not establish a legally Valid contractual relationship. NG LOW
