READ THE LABEL FIRST!

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all label directions.

BEFORE YOU USE: Read these restrictions before using:

RESTRICTIONS: For Indoor Use

- Do not contact treated surfaces until dry.
- People and pets may re-enter after the treated area is dry.
- Remove animal feeding dishes prior to application.
- Do not use in small enclosed areas where spray may be inhaled.
- Cover exposed food or remove from area being treated.
- In the home, cover or thoroughly wash all food processing surfaces and utensils following treatment.

For Outdoor Use

- Do not contact treated areas until dry.
- Apply the product to flowering plants during early morning or late evening, when bees are not present.
- Do not spray the product into fish pools, streams, or lakes.
- Remove animal feeding dishes prior to application.
- Do not apply to fruits or vegetables used for food.
- Do not water the treated area to the point of run-off.
- Do not make applications during rain.
- Do not apply directly to imperforated horizontal surfaces such as sidewalks, driveways, and patios except as a spot or crack and crevice treatment. During application, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters, or surface waters.
- All outdoor applications, if permitted elsewhere on this label, must be limited to spot or crack and crevice treatments only, except for the following permitted uses, if allowed elsewhere on this label:
 - Applications to ornamentals, as listed on this label

HOW TO USE

SHAKE WELL BEFORE USE. Hold can 12 to 15 inches from foliage. Squeeze trigger to dispense product. Spray leaves, stems and tender new shoots. To kill insects that hide, spray the underside of the leaves. Apply until the leaves are evenly coated with spray, but not dripping.

WHERE TO USE

For use in and around the home.

WHEN TO USE

Apply when pests are seen or found. Reapply every 7 to 10 days, if needed, until infestation is eliminated.

KILLS

Aphids, ants, Aphids, Armyworms, Bagworms, Boxelder bugs, Caterpillars, Clover root, Cockroaches, Crickets, Cutworms, Earwigs, Elm leaf beetles, Fleas, Furus grasshoppers, Gypsy moth larvae, Japanese beetles, Katydids, leaf bugs, leaf-feeding beetles, Leaf-feeding caterpillars, Leafhoppers (including glassy-winged sharpshooters), Leafminers, Mealybugs, Midges, Mosquitoes, Moths, Pine Shoot Moths, Pine Tip Moths, Plant bugs, Pygmy Moths, Rose Midges, Rose Slugs, Sawflies, Scale insects (crawler stages), Sowbugs, Spittlebugs, Spiders, Sink bugs (including brown marmorated stink bugs), Thrips, Weevils (including root weevils), and Whiteflies.

*Spot = no more than 2 sq. ft.

DIRECTIONS FOR USE (cont'd)

TO KILL INSECTS ON ROSES, FLOWERS, HOUSEPLANTS, GROUND COVERS, AND SHRUBS

Use when insects or damage first appear. Hold spray 12-15 inches from foliage. Spray leaves, stems and tender new shoots. To kill insects that hide, spray the underside of the leaves. Apply until leaves are evenly coated with spray, but not dripping. Kill listed insects through contact and keep killing for up to 30 days. For severe infestations, repeat every 7 to 14 days as necessary. Do not wet the foliage within one hour after applying. To avoid serious damage to plants, eliminate pests early in the season before they multiply.

PHYSICAL CHEMICAL HAZARDS

Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting. Do not spray directly into any electrical equipment such as radios, televisions, computers, etc. (where there is exposed wiring or contact points) due to the possibility of short circuits and shock hazard.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates and fish. This product is highly toxic to bees. Do not apply this product when bees are present. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters, or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. **PESTICIDE STORAGE:** Store in cool, dry area, out of reach of people and pets, preferably a locked storage cabinet. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do not puncture or incinerate. Non-refillable container. Do not refill or reuse container. **Empty:** Place empty container in trash or offer for recycling if available. **If Partially Filled:** Call your local solid waste agency or toll-free 1-877-229-3724 for disposal.

For medical emergency information, you may call toll-free 1-877-229-3763. Have the product label with you when calling poison control center or doctor or going for treatment.

For product questions or comments, call toll-free 1-877-BayerAG (1-877-229-3724) or visit our website at www.BayerAdvanced.com

NOTICE: Research and testing have determined that the "Directions for Use" are appropriate for the proper use of this product under expected conditions. To the extent consistent with applicable law, the Buyer assumes responsibility for lack of performance or safety if not used according to the directions.

Money Back Guarantee: If you are not satisfied with this product, we will gladly refund your original purchase price.
