READ ENTIRE LABEL BEFORE EACH USE.

USE ONLY ON DOGS & CATS.

KILLS FLEAS, TICKS, AND EAR MITES.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control fleas, ticks and lice on dogs and cats, dilute 4 ounces of concentrate with 1 gallon of water. Dip animal into solution, making sure hair is thoroughly wet to the skin. For control of ear mites, while dipping, lightly sponge inside of ears. Do not rinse. Towel dry. Repeat every 7 days, if needed.

Do not treat puppies or kittens under 12 weeks of age. Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals.

STORAGE AND DISPOSAL:

Storage: Store in a cool locked area. Protect from freezing.

Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed or inhaled. Avoid contact with eyes. Do not contaminate food or feedstuffs with concentrate or dip. Avoid contact of material with eyes and mouth of animal. If infestation of eyelashes or eyebrows is present consult physician. Sensitivities may occur after using ANY pesticide product for pets. If mild signs of sensitivity occur bathe your pets with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If swallowed:

Immediately call a poison control center or doctor.

Do not induce vomiting unless told to do so by the poison control center or doctor.

Do not give any liquid to the person.

Do not give anything by mouth to an unconscious person.

If inhaled:

Move person to fresh air.

If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

Call a poison control center or doctor for treatment advice.

If in eyes:

Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice.

If on skin

or clothing:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
