Family made
in America

This product controls infestations by killing fleas and ticks for up to 4 weeks, 90 day flea protection for dogs.

Stops and prevents infestation of fleas and ticks (brown dog ticks, American dog ticks, lone star ticks, and deer ticks (which may transmit Lyme disease)). Apply this product to dogs, cats, puppies and kittens (8 weeks or older) as follows:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labelling. **DO NOT ALLOW CHILDREN TO APPLY PRODUCT. TO PREVENT HARM TO YOU AND YOUR PET, READ ENTIRE LABEL AND ATTACHED DIRECTIONS BEFORE EACH USE.** Follow all directions and precautionary statements carefully. Use only on dogs and cats. Do not use on rabbits. Do not use on any other animals.

How to Open the Child-Resistant Packaging

1. When opening, do not hold or pull the trigger.
2. To open, lift up on the nozzle tab and turn the nozzle a quarter turn.
3. To close, turn the nozzle a quarter turn back to the locked position.

How to Apply

1. Wear protective rubber gloves.
2. Hold bottle in upright position. Ruffle the animal's coat with one gloved hand while applying spray to the dog's or cat's back, sides, abdomen, legs, shoulders and neck.
3. For head and eye area, spray this product on a gloved hand and rub gently into dog's or cat's hair.

Do not get this product in your dog's or cat's eyes or mouth. Apply spray until pet's hair is damp to thoroughly wet. Approximately 1 to 2 sprays (approximately 0.06 to 0.12 fl oz) per pound of the animal's body weight will be required. Dogs or cats with long or dense coats will require the higher rate.

As with any flea control product, wash hands and exposed skin thoroughly with soap and water after use. Dispose of protective rubber gloves after use. For year-round protection, apply this product monthly. No need to spray ticks directly onto their body for complete control. Do not reapply spray for 30 days. This product remains effective after bathing and exposure to water and sunlight.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Store in a cool (below 77°F/25°C), dry (preferably locked) place that is inaccessible to children and pets. Do not use or store near heat or open flame. Do not refrigerate. Protect from direct sunlight.

PESTICIDE DISPOSAL AND CONTAINER

HANDLING: Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS. CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Persons applying this product must wear protective rubber gloves.

HAZARDS TO DOMESTIC ANIMALS. For external use only. Do not use on kittens and puppies under 8 weeks of age. Causes moderate eye irritation. Take care not to spray in the animal's eyes or facial area. Individual sensitivities, may occur after using any pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated, debilitated, aged, pregnant or nursing animals.

PHYSICAL AND CHEMICAL HAZARD. Flammable. Keep away from heat and open flames.

FIRST AID	
If in eyes:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information concerning this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378 seven days a week, 6:30 am to 4:30 pm Pacific Time (NPIC Web site: www.npic.orst.edu).

To the extent consistent with applicable law, buyer assumes all risk when product is not used according to label directions or established safe practice.
