# PRECAUTIONARY STATEMENTS

## RESTRICTIONS

- Do not use product in conduits, junction boxes, or other electrical equipment because of possible shock hazard.
- Product diluted per the label has not stained, discolored or caused damage to painted or varnished surfaces, fabrics, or other surfaces in testing. However, test treat a small non-visible area and allow to dry, to determine whether staining or discoloration will occur. If overspray lands on any sensitive surfaces (particularly plastics), simply rinse with water and wipe off with a clean cloth.
- Product has not shown phytotoxicity in testing when used as directed, but all plant types have not been tested, so if concerned about particular plant sensitivity, test treat a small area first and wait 48 hours to determine if burning occurs.
- Do not apply product directly to surface water.

## DIRECTIONS FOR USE

READ ENTIRE LABEL – USE IN ACCORDANCE WITH LABEL INSTRUCTIONS

Dilution and application instructions:

Shake well before using and dilute product with water at indicated rates. Dilute at rates of between 2 fluid ounces and 4 fluid ounces per gallon of water and apply this dilution in volumes of one gallon per 1,000 square feet. For high mosquito pressure, use higher rate (see table below).

This product can be applied using sprayers and misters including handheld compressed air sprayers, backpack mist blowers and foggers, and power sprayers. Apply around buildings, boat houses, docks, and similar structures. Apply to areas where mosquitoes may rest, including but not limited to shrubs, bushes, trees, wood piles, vegetation around bodies of water, patios, porches, and shaded and moist areas. Apply deep into heavy vegetation to reach resting/harboring mosquitoes. Reapply every 21 days or as needed.

Listed use	Use rate	Application volume
Direct spray (low pest pressure)	2 fl oz/gal	1 gal/1,000 ft <sup>2</sup>
Direct spray (high pest pressure)	4 fl oz/gal	1 gal/1,000 ft <sup>2</sup>

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in original container in a dry cool place inaccessible to children and pets.

DISPOSAL: Do not reuse container. Recycle or discard in trash.

## **IMPORTANT: READ BEFORE USE**

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

**CONDITIONS:** The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Environmental Science U.S., LLC. All such risks shall be assumed by the user or buyer.
