GUARANTEED TO WORK OR YOUR MONEY BACK

BENGAL FLEA & TICK FOGGER PLUS

How It Works

- Bengal has long been the industry leader with fogger formulas that penetrate deeper to kill more insects, have no odor and leave no messy residue.
- The penetrating fog kills fleas and ticks on contact.
- Bengal Flea & Tick Fogger Plus contains a high concentration of Permethrin (2%), a photostable synthetic pyrethroid.
- Insects that come into contact with the invisible fog are killed.
- Kills 24 types of insects.

How To Use

- Place newspapers on the floor in the middle of the room.
- Press down the actuator tab to locked position. Keep at arms length.
- Place can in the center of the newspaper.
- Leave room for 2 hours.
- Upon return, open windows and doors and allow to air for 2 hours.
