

100% Organic & Natural

Big Bloom

Liquid Fertilizer

.01-0.3-0.7

- Predigested-instantly available nutrition
- Suitable for soil, hydroponics, foliar and drip systems
- Long shelf life: it's like a fine wine, it gets better with age
- Can use on any plant at any time for root development, plant structure and health, and for great flowering results
- Big Bloom's digested Bat Guanos also sweeten fruits and vegetables naturally
- Use as stand alone, or mix with other fertilizers for best results
- Will not burn, use as often as you like on any plant you like
- For use as a medicine for weak or sick plants
- Use on baby plants-encourages rooting in seedlings and produces multiple bud set and early ripening
- Sweetens fruit, brightens flowers, intensifies fragrance
- Acts as a catalyst
- DERIVED FROM: Earthworm Castings, Bat and Seabird Guano, Rock Phosphate, Sulfate of Potash Magnesia, Norwegian Kelp

Available in 1qt, 1 gal, 2.5 gal, 5 gal sizes
