

## VOLUNTARY PURCHASING GROUPS, INC.

### Safety Data Sheet

### Ferti-lome® Blooming & Rooting Water Soluble Plant Food 9-58-8

---

#### SECTION 1: Identification

##### Product identifier

Product name Ferti-lome® Blooming & Rooting Water Soluble Plant Food 9-58-8

##### Supplier's details

Name Voluntary Purchasing Groups, Inc.  
Address 230 FM 87  
Bonham, TX 75418  
USA

Telephone 855-270-4776

##### Emergency phone number(s)

In the event of a medical or chemical emergency contact ChemTel, Inc.  
North American 1-800-255-3924 or worldwide Intl. + 01-813-248-0585

---

#### SECTION 2: Hazard identification

##### Classification of the substance or mixture

Not a hazardous substance or mixture.

##### GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

##### Other hazards which do not result in classification

Not a hazardous substance or mixture.

---

#### SECTION 3: Composition/information on ingredients

##### Substances

# Safety Data Sheet

## Ferti-lome® Blooming & Rooting Water Soluble Plant Food 9-58-8

### Hazardous components

Component	Concentration
potassium phosphate (CAS no.: 7757-79-1)	Not specified
Monoammonium phosphate (CAS no.: 7722-76-1)	Not specified

---

## SECTION 4: First-aid measures

### Description of necessary first-aid measures

If inhaled	Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if symptoms occur.
In case of skin contact	Flush contaminated skin with plenty of water. Remove contaminated clothing and shoes. Get medical attention if symptoms occur.
In case of eye contact	Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses. Get medical attention if irritation occurs.
If swallowed	Wash out mouth with water. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if symptoms occur.

---

## SECTION 5: Fire-fighting measures

### Suitable extinguishing media

Use an extinguishing agent suitable for the surrounding fire.

### Specific hazards arising from the chemical

No specific fire or explosion hazard.

### Special protective actions for fire-fighters

No data available.

### Further information

No data available.

---

## SECTION 6: Accidental release measures

### Personal precautions, protective equipment and emergency procedures

No action shall be taken involving any personal risk or without suitable training. Evacuate surrounding areas. Keep unnecessary and unprotected personnel from entering. Do not touch or walk through spilled material. Avoid breathing dust. Put on appropriate personal protective equipment.

### Environmental precautions

Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. Inform the relevant authorities if the product has caused environmental pollution (sewers, waterways, soil or air).

### Methods and materials for containment and cleaning up

## Safety Data Sheet

### Ferti-lome® Blooming & Rooting Water Soluble Plant Food 9-58-8

Move containers from spill area. Approach release from upwind. Prevent entry into sewers, water courses, basements or confined areas. Vacuum or sweep up material and place in a designated, labeled waste container. Avoid creating dusty conditions and prevent wind dispersal. Dispose of via a licensed waste disposal contractor.

---

## SECTION 7: Handling and storage

### Precautions for safe handling

Put on appropriate personal protective equipment (see Section 8). Avoid breathing dust.

### Conditions for safe storage, including any incompatibilities

Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials (see Section 10) and food and drink. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.

---

## SECTION 8: Exposure controls/personal protection

### Appropriate engineering controls

Use only with adequate ventilation. If user operations generate dust, fumes, gas, vapor or mist, use process enclosures, local exhaust ventilation or other engineering controls to keep worker exposure to airborne contaminants below any recommended or statutory limits.

### Individual protection measures, such as personal protective equipment (PPE)

#### Eye/face protection

Safety eyewear complying with an approved standard should be used when a risk assessment indicates this is necessary to avoid exposure to liquid splashes, mists, gases or dusts. If contact is possible, the following protection should be worn, unless the assessment indicates a higher degree of protection: safety glasses with side-shields. If operating conditions cause high dust concentrations to be produced, use dust goggles.

#### Skin protection

Appropriate footwear and any additional skin protection measures should be selected based on the task being performed and the risks involved and should be approved by a specialist before handling this product.

---

## SECTION 9: Physical and chemical properties

### Information on basic physical and chemical properties

Appearance/form	Blue/ Fine Powder
Odor	Fertilizer
Odor threshold	No data available.
pH	No data available.
Melting point/freezing point	No data available.
Initial boiling point and boiling range	No data available.
Flash point	No data available.
Evaporation rate	No data available.
Flammability (solid, gas)	No data available.
Upper/lower flammability limits	No data available.
Upper/lower explosive limits	No data available.
Vapor pressure	No data available.

## Safety Data Sheet

### Ferti-lome® Blooming & Rooting Water Soluble Plant Food 9-58-8

Vapor density	No data available.
Relative density	No data available.
Solubility(ies)	No data available.
Partition coefficient: n-octanol/water	No data available.
Auto-ignition temperature	No data available.
Decomposition temperature	No data available.
Viscosity	No data available.
Explosive properties	No data available.
Oxidizing properties	No data available.

#### Other safety information

No data available.

---

## SECTION 10: Stability and reactivity

### Reactivity

No specific test data related to reactivity available for this product or its ingredients.

### Chemical stability

Stable

### Possibility of hazardous reactions

Under normal conditions of storage and use, hazardous reactions will not occur.

### Conditions to avoid

No data available.

### Incompatible materials

No data available.

### Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

---

## SECTION 11: Toxicological information

### Information on toxicological effects

#### Acute toxicity

No known significant effects or critical hazards.

#### Skin corrosion/irritation

Non-irritating

#### Respiratory or skin sensitization

Not sensitizing - based on the individual components.

#### Carcinogenicity

No known significant effects or critical hazards.

---

## SECTION 12: Ecological information

# Safety Data Sheet

## Ferti-lome® Blooming & Rooting Water Soluble Plant Food 9-58-8

### Toxicity

No data available.

### Persistence and degradability

No known significant effects or critical hazards.

### Mobility in soil

No data available.

---

## SECTION 13: Disposal considerations

### Disposal of the product

The generation of waste should be avoided or minimized wherever possible. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Waste should not be disposed of untreated to the sewer unless fully compliant with the requirements of all authorities with jurisdiction. Waste packaging should be recycled. Incineration or landfill should only be considered when recycling is not feasible. This material and its container must be disposed of in a safe way. Empty containers or liners may retain some product residues. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

---

## SECTION 14: Transport information

### DOT (US)

Not dangerous goods

### IMDG

Not dangerous goods

### IATA

Not dangerous goods

---

## SECTION 15: Regulatory information

### Safety, health and environmental regulations specific for the product in question

#### New Jersey Right To Know Components

Common name: POTASSIUM NITRATE

CAS number: 7757-79-1

#### Pennsylvania Right To Know Components

Chemical name: Nitric acid, potassium salt

CAS number: 7757-79-1

### Chemical Safety Assessment

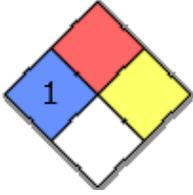

Signal word : No signal word.

Emergency Overview : Keep out of reach of children.

### NFPA Rating
