DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Please read entire label before using. Use only as directed.

Shake container before use. This is a contact spray and pests must be sprayed directly to achieve control. Thoroughly spray insect pests to wetting on all plant parts, including undersides of leaves. Repeat treatment weekly or bi-weekly if needed. May be used on edible crops up to and including day of harvest.

Do not use on sweet peas, nasturtiums, delicate ferns. Use with care on new seedlings, transplants and blooms. Avoid spraying during full sun. If concerned about sensitivity of plants, apply to individual plants or small areas of plants and wait to determine if plant damage occurs prior to treatment of larger areas.

PESTS

This product will control insect pests such as: adelgids (woolly aphids), aphids, lacebugs, mealybugs, mites, grasshoppers, leafhoppers, scale insects, plant bugs, sawfly larvae (pear and rose slugs), psyllids, tent caterpillars, thrips, spider mites, earwigs and whitefly.

For use indoors, outdoors and in greenhouses on: fruit and nut trees (e.g., apples, cherries, peaches, pears, pecans, almonds); corn, soybeans, melons, tomatoes, vegetables, (e.g., beans, cabbage, cucurbits, peas, potatoes), figs, small fruits (e.g., grapes, strawberry, raspberry), citrus, houseplants, ornamental and bedding plants, ornamental and shade trees (e.g., birch, evergreens, holly, oak).

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals.

DISPOSAL: *If empty* – Nonrefillable. Do not reuse this container. Place in trash or offer for recycling if available. *If partly filled* – Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Environmental Hazards: This product may be hazardous to aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather or when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

NOTICE TO BUYER: To the extent consistent with applicable law, Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions.

This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, Seller makes no other warranties, either expressed or implied.
