READ THE ENTIRE LABEL BEFORE USE

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product may be used on a variety of plant cuttings, including woody, herbaceous, and flowering ornamental species, vegetables, fruit trees and small fruits. Also use for general treatment of bulb, roots, and corms. This product is ideal for the rooting treatment of many houseplants and Azaleas (evergreen types), Chrysanthemums, Chinese Evergreens, Dieffenbachia, Draceanas, Geraniums, Hydrangeas, Ivy, Lantanas, Pandanus, Veitchi, Pachysandra, Peperomias, Philodendron, Poinsettias, Pothos, and a wide range of other plants.

Application Instructions: Take cuttings from a vigorous healthy plant. Remove any leaves or flowers at the base of the cutting. Stir cut ends in this product. Plant treated cuttings in a rooting medium such as potting soil. Mist regularly.

Keep rooting medium moderately moist until roots are established. Treated cuttings should not have less than a 60°F Temperature.

General Treatment of Seeds, Bulbs, Corms and roots of ornamental plants: Place this product and bulbs, corms or roots into a sealed bag or container. Shake well to deposit a light coating. 1 ¼ ounces of this product should treat approximately 2,800 average cuttings .

STORAGE & DISPOSAL

Pesticide Storage: Store in tightly closed, original container in a dry, cool, dark, locked area away from children and domestic animals. **Pesticide Disposal and Container Handling:** Non-refillable container. Do not reuse or refill this container. *If empty:* Place in trash or offer for recycling, if available. *If partly filled:* Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment information.

If in Eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If Swallowed:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on Skin or Clothing:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

FIRST AID Cont.

If inhaled:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
