Hi-Yield[®] Cottonseed Meal

HI-YIELD[®] COTTONSEED MEAL supplies all three of the primary plant food elements. It also helps create an acid condition and stimulates beneficial bacteria. **HI-YIELD[®] COTTONSEED MEAL** may be used on all types of Plants.

DIRECTIONS FOR USE

Apply **HI-YIELD[®] COTTONSEED MEAL** in the early Spring after danger of last frost has passed and repeat in early Fall to help maintain Plants during the Winter months.

Apply at the rate of 3½ lbs. per 100 square feet. Sprinkle lightly over area; scratch lightly into the soil and water in after application.

NOTE: Wash off any fertilizer that may come in contact with leaves and flowers.

Not for use in organic crop and food production in California.

Manufactured by:

**230 FM 87
BONHAM, TEXAS 75418**
