NON-VARNISH  
AREA

**PRODUCT FACTS:** For use in dogs only. Recommended to support healthy joint mobility, flexibility and strong connective tissue to help your dog maintain active lifestyle. Contains a source of live (viable), naturally occurring microorganisms that assist in the digestion and absorption of essential nutrients.

**Directions for Use:** One soft chew daily per 50 lbs. of body weight. One-half soft chew daily for smaller dogs.

**Cautions:** Safe use in pregnant animals or in animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

**Warnings:** For animal use only. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.

**Storage:** Store in a cool dry place.

**Active ingredients per soft chew:**

Glucosamine HCl (Shellfish)	500 mg
Chondroitin Sulfate (Porcine)	250 mg
Methylsulfonylmethane (MSM)	250 mg
Calcium Carbonate	40 mg
Manganese Sulfate	10 mg
Hyaluronic Acid	5 mg
Selenium	10 mcg
dl-Alpha Tocopherol Acetate (Vitamin E)	50 IU
Total Viable Bacteria* 500 Million Colony Forming Units	
*Bacillus Licheniformis and Bacillus Subtilis	

**Inactive ingredients:** Ascorbic Acid, Canola Oil, Caramel Color, Cheese Flavor, Corn Starch, Dried Chicken Liver, Glycerin, Lactic Acid, Rice Bran, Salmon Oil, Sugar and Xanthan Gum.
