Benefits:

- For animals over 12 weeks of age
- Easy to apply
- Kills and repels seven listed pests
- Contains Aloe and Lanolin

Packaging:

6 fl oz bottle, 12 bottles/case
UPC# 7-45801-11124-0

Directions for Use:

For Indoor Use

Dogs • Puppies • Cats • Kittens

Do not apply over cuts, wounds or irritated skin. Do not apply near eyes and mouth. Do not apply more than 1 time per day. Apply sparingly around ears. Treatment may be applied on a bandage.

To Kill and Repel Ear Mites: Clean ear to remove built-up wax and dirt. Gently dry ear with a cotton ball or soft cloth and apply a thin film of treatment. The treatment may be applied daily for 7 to 10 days.

To Kill Ticks: Make sure treatment covers ticks.

To Use as a Repellent: Spread treatment lightly on outer and inner surface of the outer ear and between the toes before animals enter infested area. Do not repeat treatment for 3 to 5 days.

Horses • Foals

Do not use on horses or foals intended for slaughter.

To Control Ticks, Gnats, Flies, Mosquitoes and Mange Mites: Before application remove dirt or debris by brushing or washing with a mild shampoo. Allow to completely dry. Apply a light film to affected areas daily, massaging into the skin for 2 to 3 days, then apply every 3 to 5 days as needed. Do not apply over cuts, wounds or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears.
