

HoofSOLID™

Hoof Supplement

Description:

HoofSOLID™ is a pelleted hoof and digestive supplement formulated to provide optimum nutritional support for normal healthy hooves. The Omega 3 fatty acids in HoofSOLID™ help maintain pliability and moisture in the hooves. The nutrients in HoofSOLID™ work together to support cracked hooves and strengthen hoof walls. HoofSOLID™ helps support normal hoof growth, it includes the essential amino acids L-lysine and Methionine. It also includes Zinc, a trace mineral to help keratin development in the hoof walls. Yea-Sacc® 1026 (*Saccharomyces Cerevisiae*) is added to provide enzymes and factors necessary for proper digestion. Yea-Sacc® 1026 is extensively researched and scientifically proven; visit www.yea-sacc1026.com for more information and research articles. HoofSOLID™ is apple flavored to ensure palatability and contains biotin, lysine, methionine, minerals, key amino acids and yeast culture.
