SOLUBLE COLOSTRUM POWDER

with Probiotics and Vitamins

Description:

Lamb & Kid Colostrum Powder is a nutritional product for newborn goats and sheep, which contains a source of live (viable) naturally occurring microorganisms, dried colostrum milk and vitamins. The colostrum provided in Lamb & Kid Colostrum Powder supplies a source of maternal antibodies and protein. *Lactobacillus* organisms contained in this product assist in the establishment of beneficial microflora in the newborn. *L. acid* excreted by these organisms will influence pH reduction in the small intestine. This action removes the environment needed by certain coliform bacteria to proliferate and perhaps cause disease.

The newborn receives a generous supply of highly absorbable, essential vitamins and trace minerals, which are necessary for the establishment of good health.

Ingredients:

Dried Bovine Colostrum, *Lactobacillus acidophilus* fermentation product dehydrated, *Lactobacillus Casei* fermentation product dehydrated, *Bifidobacterium bifidum* fermentation product dehydrated, *Enterococcus faecium* fermentation product dehydrated, Vitamin A acetate (stability improved), Vitamin D3 supplement, Vitamin E supplement and dextrose.

Guaranteed Minimum Analysis:

Vitamin A - Not Less Than 5,500 IU/tsp.
Vitamin D3 - Not Less Than 2,750 IU/tsp.
Vitamin E - Not Less Than 2.75 IU/tsp.
Direct Fed Microbials 5 x 10⁹ CFU/tsp.
