

Lamb & Kid PASTE

Contains a source of live (viable) direct fed microorganisms

**NEW
LOOK!**

Description:

A source of live natural microorganisms used to minimize intestinal disorders, and enhance the digestion of food.

Ingredients:

Corn oil, Sodium silico aluminate, Montmorillonite clay, Dried egg, Dried *Enterococcus faecium* fermentation product, Dried *Bacillus subtilis* fermentation product, Dried *Lactobacillus acidophilus* fermentation product, Dried *Bifidobacterium longum* fermentation product, Dried *Bifidobacterium thermophilum* fermentation product, Ascorbic acid, Fructooligosaccharides, Dried *Aspergillus niger* fermentation extract, Polysorbate 80, Potassium sorbate.

Guaranteed Analysis:

Total lactic acid producing bacteria (min) 5×10^7 CFU/gm (*Enterococcus faecium*, *Bacillus subtilis*, *Lactobacillus acidophilus*, *Bifidobacterium longum*, *Bifidobacterium thermophilum*), Lactase (*Aspergillus niger*) 70 µg lactose hydrolyzed/min/gm, beta-Glucanase (*Aspergillus niger*) 60 µg beta glucans hydrolyzed/min/gm.

Approved For Use On:

Lambs and Kids

Benefits:

- Protects lambs and kids during the critical first 24 hours
- Aids in the control of scours
- Gives lambs and kids an immediate energy boost at birth
- Use at first sign of health problems and to supplement colostrum
- Protective coating allows bacteria to be used with antibiotics

Directions for Use:

Administer 3 to 5 grams on back of tongue of newborn lambs or kids. Administer 5 to 15 grams to older animals. Repeat dosage as needed.

Packaging:

15 gram dial-a-dose tube, 25 tubes/case
UPC# 7-45801-10511-9
