

ALL PURPOSE LUBRICANT

NON SPERMICIDAL

Description:

A ready-to-use lubricant that is non-spermicidal, non-greasy, and non-irritating. It is indicated for obstetrical procedures in large or small animals; for lubrication of devices such as stomach tubes, enema nozzles, catheters and obstetrical instruments before insertion in to the body cavities; as an aid in delivery at dry birth.

For Use On:

For Animal Use Only.

Consult with your veterinarian.

Product Advantages:

- Non-spermicidal
- Non-greasy
- Non-irritating

Contains:

A bland aqueous lotion with methylparaben and propylparaben as preservatives.

Directions for Use:

Apply 7 to 10 mL to prewetted or dry glove, arm, or instruments. Distribute evenly. To prepare a bulk lubricant to aid in dry birth, add lubricant to two quarts of water until the desired viscosity is reached. Formulated to function even if water is not available.

Packaging:

Gallon, 4 per case
