

SoreEze™

LINIMENT

Description:

Sore-Eze™ Liniment contains simple yet effective ingredients and helps reduce soft tissue pain and inflammation. It is safe to use under tack, blankets, wraps and therapeutics, making it a staple to use before and after exercise.

For Use On:

Horses of all classes.

Features & Benefits:

- This liniment can be used on the poll, back, neck, legs, hock, knees and hoof to help reduce soft tissue discomfort.
- Though the ingredients are simple, the effectiveness is not. Sore-Eze™ Liniment has formulated a liniment that contains only all-natural, gentle ingredients making it safe for the most sensitive skinned horses.
- The liquid consistency is ideal for application on long haired coats.
