

Mega-Tek Cell Rebuilder

Eqyss Grooming Products

Mega-Tek's revolutionary formula is a technological breakthrough. Stimulates hair without the use of silicone, synthetic polymers, oils or petroleum based products which cause dry, brittle hair and hoofs.

Manes & Tails:

Revitalizes hair so mane and tail won't break off as easily and will grow longer. Conditions bare spots caused by blanket rubs, skin conditions or injuries.

Directions:

Apply to wet clean hair. Leave on 5 minutes then rinse off. Mega-Tek can also be left on for continuous benefits, such as putting on tail and wrapping it. Does not have to be rinsed off. Use as often as possible, usually 2 or 3 times a week or whenever horse is bathed. On injuries, skin problems or blanket rubs use daily. Use a small amount on dry or wet coat.

Hooves:

Conditions and revitalizes hooves with soft walls, quarter cracks and sand cracks. Shoes hold better. Corrects dry damaged hooves.

Directions:

Apply to coronet band, wall and frog. Use daily or as often as possible. Frequent use increases effective use of the product.
