

EZ Lawn & Garden™

Founded in 2007, the **EZ Lawn & Garden** product line provides a cost-effective, greener alternative to lawn maintenance methods. Tend to yard clean-ups the responsible way with a cleaner, quieter option and get back to enjoying the outdoors by simplifying your yard chores. Bob Monahan, inventor and owner of the EZ Lawn & Garden line, created an environmentally friendly, competitively priced line of outdoor products that truly make your life EZ!

EZ has won numerous awards including the 2015 National Hardware Show®'s "Fits Consumer Needs" award and the 2016 Packaging and Merchandising award presented by North American Retail Hardware Association.

EZ Leaf Hauler

The EZ Leaf Hauler is a giant dustpan for leaves. Its innovative design allows you to efficiently rake away large piles of leaves. It holds 4X more than a wheelbarrow and has 6 built-in handles for easy transport. All you have to do is STAKE, RAKE and TAKE IT AWAY!

Where to Buy

EZ Leaf Hauler Sport

The EZ Leaf Hauler Sport is a 4'x6' version of the original EZ Leaf Hauler. It is designed for smaller yard clean-ups. Just like the EZ Leaf Hauler, the Sport has robust stakes that secure the tarp on windy days and folds compactly for storage. STAKE, RAKE and TAKE IT AWAY!

EZ Tarp Tugger

The EZ Tarp Tugger is a great cost-effective option for yard clean-ups. Simply clip to any standard tarp, stake in ground, rake, and when done, pull handles to drag with ease. Stop fumbling with hard to grasp tarps and let the EZ Tarp Tugger do the work for you!

EZ Leaf Stomper

The EZ Leaf Stomper allows you to pack 4X more leaves into every bag. Its universal attachment fits most rakes, brooms and other garden tools. The unique leaf mulching pattern breaks up leaves quickly. It's an efficient way to think green and reduce waste by maximizing your baggage capacity.
