SHAKE WELL BEFORE EACH USE

ecosmart® WASP & HORNET KILLER
-THE SAFE PESTICIDE BRAND

The active ingredients in EcoSmart® Wasp & Hornet Killer consist of a blend of essential plant oils, making it an effective insecticide that is environmentally friendly. It is also safe for use around children and pets when used as directed. To learn more about this product and our entire line of pesticides, please visit us at www.ecosmart.com.

DIRECTIONS FOR USE:
SHAKE WELL BEFORE EACH USE. AIM SPRAY NOZZLE AT RED DOT ON RIM. READ ENTIRE LABEL AND USE ACCORDINGLY.
FOR USE OUTDOORS AND IN ATTICS.
WASP AND HORNET TREATMENT: If possible, apply at sunrise or sunset when wasps and hornets are least active in nest. Stand a safe distance from the nest. Hold container upright and aim nozzle away from yourself. Spray with wind at your back. Press button firmly to spray. Spray until the nest is soaked. Expose as many wasps and hornets as possible. Repeat as wasps and hornets are seen.
NOTE: As with most household products, this product will stain any surface that water alone will stain. Do not use on vinyl siding or window or door casements made of vinyl molding. Before using, test in an inconspicuous area that is intended to be treated. A test duration of 48 hours or more is recommended. Be careful when spraying around plants as new growth or tender foliage may be harmed. Avoid spraying directly on plants. Foliage exposed to spray should be hosed off.
DIELECTRIC INFORMATION: Electrically non-conducting up to 41,000 volts.
STORAGE & DISPOSAL: Store in a cool, dry area away from heat or open flame. When container is empty, recycle if available or discard in trash. Do not puncture or incinerate.
PRECAUTIONARY STATEMENTS: This product contains wintergreen oil which may be harmful if swallowed and may irritate skin. Avoid contact with eyes & skin. This product contains plant oils that are inherently fragrant. Use in well ventilated areas. Breathing vapors or mists may trigger breathing difficulty in asthmatics and others with allergies, physiological sensitivities or medical conditions. After use, vacate the treated area and allow sprays to dry before re-entering. For people who are fragrance sensitive, test a small application before using over a larger area. When used indoors, wipe up excess spray to avoid slipping.
PHYSICAL HAZARDS: Contents under pressure. Keep away from heat, sparks and open flames. Do not puncture or incinerate container. Exposure to temperatures above 130° Fahrenheit may cause container to burst.
FIRST AID:
If swallowed: Call a poison control center or doctor for treatment advice. Do not give any liquid to the person. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on skin or clothing: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
LIMITATION OF LIABILITY: To the extent consistent with applicable law, Kittrich Corporation makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.
This product has not been registered by the US Environmental Protection Agency. Kittrich Corporation represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.
