DIRECTIONS FOR USE

READ ENTIRE LABEL — USE IN ACCORDANCE WITH LABEL INSTRUCTIONS

SHAKE WELL BEFORE USING

Spray target area until wet. For best results, ensure product comes into direct contact with target pest.

Thoroughly spray non-visible areas where these insects are usually found with special attention to cracks and crevices, niches, dark corners, drains and other harborage sites.

May be used around appliances, on countertops, in and around cabinets.

Reapply as needed.

NOTE: Whereas this product contains natural, essential plant oils, it is possible that Essentria General Household Insect Control may mar some sensitive surfaces. Test a small non-visible area first before spraying to ensure staining will not occur. Wipe away excess residue with a clean cloth. Do not apply directly to house plants. **Cover/avoid any pools or aquaria prior to spraying.** Treated surfaces may be slippery when wet. **Do not apply on or around electrical wiring.**

KEEP ALL INSECTICIDES OUT OF REACH OF CHILDREN

FIRST AID	
If IN Eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a physician if irritation persists.
If ON Skin:	Wash with soap and water.
If INHALED:	Remove exposed person to fresh air.
If INGESTED:	Rinse mouth out with water. Do not induce vomiting. Seek medical attention if feeling sick or nauseous.
Seek medical attention if necessary.	

PRECAUTIONS

Caution. May cause eye and skin irritation **with direct contact**. Avoid contact with eyes, skin and clothing.

STORAGE & DISPOSAL

STORAGE: Store in original container in a dry cool place inaccessible to children and pets.

DISPOSAL: Do not reuse container. Discard in trash.
