

DIRECTIONS FOR USE:

Wet the horse's coat, mane and tail thoroughly with water. Apply a sufficient amount of Laser Sheen® Show-Stopping Shampoo onto a sponge and massage into a rich lather over the horse's entire body, including mane and tail. Let lather stand for 2-3 minutes. Rinse horse thoroughly with clean running water. Remove excess water with a sweat scraper and dry horse as desired.

To increase the glamorous, showring shine and thick flowing mane and tail, follow with Laser Sheen® Dazzling Shine & Detangler or Laser Sheen® Volume-Enhancing Detangler.

CAUTION: For external use only.
Keep out of reach of children.

Laser Sheen® Show-Stopping Shampoo

Laser Sheen® Show-Stopping Shampoo is a premium quality, moisturizing shampoo that enhances the horse's features to get noticed. It is specifically formulated to produce a rich, luxurious lather that penetrates deep down to the skin for a flawless clean coat. Deep conditioners moisturize the hair and repair split-ends, leaving the coat velvety soft and intensely radiant for a mesmerizing look. Detangles knotted hair, minimizes breakage and increases manageability for a healthy, flowing mane and tail. Vitamin E and PABA sunscreen help protect the skin and hair from bleaching and harsh environmental elements such as wind, weather and sun. Properly pH-balanced, Laser Sheen® Show-Stopping Shampoo rinses out easily and thoroughly to eliminate residual left behind and return the skin & coat pH to its normal, healthy level.
