

Welcome your **new** favorite solution into the family.

Introducing **FLEE Flea & Tick Collar for Dogs** by **Martin's**<sup>®</sup>. Each collar provides up to six months of protection against fleas and ticks. The collar incorporates a patented insecticide-release technology. Friction releases the insecticide deltamethrin steadily onto the dog's skin over 6 months. FLEE Flea & Tick Collar is water-resistant and can be worn while swimming or bathing without impairing effectiveness. For use on dogs and puppies over twelve weeks of age. One size fits all.
