

**NEW & IMPROVED**

# Foamer Simpson™ 5.0

## Key Product Features:

- 1 Compact Unit with Smaller Tank Size (5.0 liters/1.3 gallons)** – Maximum portability and easier to store on truck
- 2 Longer Hose (6.5 ft)** – Can reach farther without moving the tank
- 3 17" Wand** – Drains can be foamed while standing up. No tool changes needed to spray surfaces and foam drains
- 4 Stainless Steel Flat Spray Tip** – Consistent, equal foam distribution
- 5 Angled End Wand Tip** – Can easily spray the underside of equipment with less bending
- 6 Comfortable Grip Handle with Trigger** – For quick on/off control
- 7 Pressure Relief Valve** – For safety
- 8 Extra Wide Stability Base** – Won't tip over when placed on surfaces
- 9 Includes Tank Collar with Clips for Vertical Wand Storage** – Easier to carry
- 10 Natural Tank Color** – Easy visibility of product levels
- 11 Product Level Fill Markings in Gallons and Liters**
