

HEALING REMEDIES

QUICK BLOOD STOPPER[®]

ANTISEPTIC STYPTIC POWDER

Used by veterinarians to aid in the control of bleeding caused by nail cutting, wing clipping and other minor cuts. Our fast-acting styptic powder is safe and easy to use.

DIRECTIONS

Four a small amount of powder into cap. Dip moistened cotton tip into powder and apply directly to the area being treated. Apply moderate pressure for 5-10 seconds. If bleeding does not stop, consult your veterinarian. **NOTE:** Keep desiccant bag in vial at all times to keep consistency of powder.

INGREDIENTS: Ferric Sub sulfate, Diatomaceous earth, Otitsept Extra, Bentonite, Aluminum Chloride, Silicon Dioxide

WARNING: KEEP OUT OF REACH OF CHILDREN AND PETS TO AVOID UNINTENDED CONSUMPTION. FOR EXTERNAL USE ONLY.

STORE IN A COOL DRY PLACE.
