

PRECAUTIONARY STATEMENTS

First Aid. Thoroughly wash face, hands and any exposed skin after handling. Wear protective gloves/clothing and eye/face protection. Avoid breathing mist/vapors/spray.

If in Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. If irritation persists, get medical advice/attention. **If on Skin:** Wash with plenty of soap and water. If irritation or rash occurs, get medical advice/attention. Wash contaminated clothing before reuse. If irritation persists, call a physician or 1-800-222-1222 for emergency medical treatment information.

Storage and Disposal: Keep away from children. Store in original, tightly closed container in a cool, dry area. Do not store in direct sun, heat above 80°F or allow product to freeze. Non-refillable container; do not reuse or refill this container. Recycle empty container or discard in trash.

DIRECTIONS FOR USE

Read entire label prior to use and use product as directed. Shake well before each use or dilution. To minimize foaming in spray applications, add water to mixing vessel first, then add concentrate. Apply using suitable spray equipment.

RECOMMENDED DILUTION RATIOS

- For severe infestations: dilute 1 part FlyWeb Fruit Fly Spray Concentrate to 9 parts water
- For maintenance treatments: dilute 1 part FlyWeb Fruit Fly Spray Concentrate in up to 39 parts water.

Minimum dilution ratio is 1:9 and maximum dilution ratio is 1:39.

PREMISE TREATMENT

Apply a coarse spray to sinks, stainless equipment, drains and floor areas. Pay special attention to areas where pests have been seen or can find harborage behind equipment, facility entry points and in cracks and crevices. Treat at each grow-out or sanitation procedure, before reintroduction of open food. Reapply as needed.

Limitation of Liability: To the extent consistent with applicable laws: a) Gardner Manufacturing Co., Inc. makes no warranties or merchantability of fitness for a particular use, or any other express or implied warranty except as stated on this label; and b) Buyer assumes all responsibility for safety and use not in accordance with the label directions and precautionary statements.

This product has not been registered by the United States Environmental Protection Agency. Gardner Manufacturing Co., Inc. represents that this product qualifies for exemption from registration under FIFRA Section 25(b).
