Our Bug Guard™ enclosure system stops bed bugs and dust mites in their tracks. It's the only encasement you'll ever need!

### Barrier Against Dust Mites and Allergens

Protecting a brand new mattress with our Mattress Encasement will create a barrier to resist dust mites and allergens from taking up residence in the mattress.

### Bed Bug Protection

Our zippered enclosure system stops both the entry and exit of bed bugs and dust mites with a combination of its micro-zipper teeth, Velcro® seal backwall and inner wall construction, enveloped seam finishing and bed bug proof fabric.

### Waterproof, Breathable Surface

Unlike other waterproof encasements ours is breathable, allowing body heat to pass through it and provide a comfortable and cool sleep surface. The mattress encasement is durable, but thin enough that it does not change the comfort or feel of the mattress.

### 10-Year Limited Warranty

Our mattress encasements feature a 10-year limited warranty. When the mattress encasement is purchased on the same retail sales receipt as a new mattress, not only is the encasement warranted against material or manufacturer defect, it also warrants the new mattress against surface stains for that same 10-year period.

## Use of Bleach Will Void All Warranties

When the purchase of a GBS Mattress Encasement is made on the same retail sales ticket as a new mattress, GBS Enterprises will also warranty the surface of the mattress against stains provided it is covered with the GBS Mattress Encasement at the time of the spillage. During the claims process GBS Enterprises reserves the right to determine whether to provide a home cleaning kit, professionally clean or replace the mattress surface fabric. If the mattress is damaged beyond repair as a direct result of the failure of the GBS Mattress Encasement, the claim is within the warranty period of the mattress, and all care instructions have been followed by the claimant, GBS Enterprises will, at its sole discretion, replace the mattress or provide one of comparable quality. Transportation costs relating to the warranty process are the responsibility of the warranty claimant. In the event of a mattress replacement GBS Enterprises' obligation under this warranty shall end.
