Water, Polyglyceryl Oleate 67.71%

CAUTION: KEEP OUT OF REACH OF CHILDREN

See back label for additional information

Manufactured by EcoFresh® Industries, Inc.

8 FL OZ (236.6 ml)

GCXLBA08Rev3

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING. OUTDOOR USE ONLY

Best applied when the ambient (outdoor) temperature is between 70 and 90 degrees F.

GRASS AND GROUNDS APPLICATION:

Mix 1 fl oz ***Mosquito X Ultra*** to 10 gallons of water. Apply at a rate of 10 gallons of finished solution per acre for light infestation. For heavier infestations, you can mix up to 1.5 fl oz per 10 gallons of water. Concentrations greater than this may harm foliage.

STRUCTURAL TREATMENT:

Apply ***Mosquito X Ultra*** directly to outdoor structures (barns, gazebos, patios, eaves, thresholds, etc.), and along the ground around the perimeter to control mosquitos and prevent them from entering the structure.

STORAGE AND DISPOSAL:

Store between 50 and 100 degrees F. Do not store product in direct sunlight or below 40 degrees F. Keep lid closed tight when not in use. Rinse and recycle the container when empty.

In case of medical emergency, call **POISON CONTROL 800.222.1222**
