

**IT'S A COMPLETE CONCENTRATION**

Gentrol® Complete EC3 provides broad-spectrum relief from kitchen insects and breaks the life cycles of cockroaches, stored product pests, plus fruit and drain flies. Gentrol® Complete EC3 combines an insecticide with the control of Gentrol® IGR Concentrate. Designed for monthly use in sensitive sites including food handling and food processing establishments, Gentrol® Complete EC3 features a multi-rate formulation to tackle all levels of infestation.

# Gentrol® Complete EC<sub>3</sub>

## TREATMENT OPTIONS

- General surface
- Spot
- Crack and crevice

## ACTIVE INGREDIENTS

- (S)-Hydroprene – 1.5%
- Lambda-cyhalothrin – 1.5%

## ABOUT THE ACTIVE INGREDIENTS

Gentrol® Complete EC<sub>3</sub> is formulated with two active ingredients designed to deliver relief and long term control in a monthly application. Lambda-cyhalothrin is a broad spectrum insecticide that provides relief and is approved for food handling and processing establishments. To control future infestations Gentrol® Complete EC<sub>3</sub> features the translocating insect growth regulator s-hydroprene that breaks the life cycles of listed pests to eliminate rebound.
