

Green Dragon ROACH KILL™

TOUGH ON ROACHES, NOT ON YOU!™
KILLS ROACHES, WATERBUGS & SILVERFISH!

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL, FOR COMMERCIAL AND RESIDENTIAL USE.

USE RESTRICTIONS:

Do not place Green Dragon Roach Kill™ bait in areas accessible to children and pets. Do not contaminate food or feed stuffs.

To control Cockroaches, Ants (except Carpenter, Fire, Harvester and Pharaoh Ants) and Silverfish

Residential Areas - Place a small spot approximately the size of a pea on inaccessible surfaces under or behind refrigerators, stoves, sinks, tubs, dishwashers, washing machines and dryers; into openings around drains, water pipes, electrical conduits; and in cracks and crevices around baseboards, corners of cupboards, cabinets, and closets. Remove lower drawers in kitchen and bathroom cabinets, bedroom dressers and place into corners of drawer wells. Reapply once/30 days if needed.

Food and Feed Handling Establishments:

Establishments such as restaurants; dairies; packaging, bottling and canning plants; bakeries; mills or anywhere food and feed is stored, prepared, processed and packaged. Green Dragon Roach Kill may be used in federally inspected meat and poultry plants.

Food Area - Limited to Crack and Crevice Treatments Only:

Includes areas where food or feed is received, stored, prepared, served, packaged, handled in an enclosed system and where edible waste is stored. Apply pea-sized or smaller portions of bait directly into cracks and crevices, where equipment meets floors and walls; equipment and counter legs, bases, motors and conduits; holes and openings leading to wall voids where insects may hide. Avoid contamination of feed, foodstuffs, and exposed surfaces where feed and food is prepared, processed and served.

Non-Food Areas: Includes garbage rooms, rest rooms, laboratories, offices, locker rooms, boiler and equipment rooms, garages, mop closets and storage. Apply to baseboards, around water and drain pipes, underneath and behind sinks, lockers, tables and similar areas where insects may hide.

Serving Areas: Includes dining rooms, mess halls and other areas where prepared food is served. Apply pea-sized or smaller placements to selected surfaces such as baseboards, underneath booths and into cracks and crevices. Avoid contamination of exposed surfaces where food contact can occur.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For more information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-255-3924 or the National Pesticide Information Center at 1-800-858-7378.
