**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
**CAUTION**

Causes moderate eye damage. Harmful if absorbed through skin. Do not get in eyes, on skin or clothing. Prolonged or repeated use may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.  
**PESTICIDE DISPOSAL:** If empty: Nonrefillable. Do not reuse or refill this container. Place in trash or offer for recycling, if available.  
 If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.  
**PESTICIDE STORAGE:** Store in a safe location away from children.

**DIRECTIONS**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE WELL BEFORE USING**

Do not use on animals less than 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur wash your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. For sarcoptic mange apply once daily for several days. Wear rubber gloves and work well into the skin with a slow, firm finger massage. On areas that respond slowly, use twice daily until healed. For information, call 1-252-747-2911. **IMPORTANT** for best results, disinfect animal's environment. Accompany treatment with periodic check of infection and sound nutritional program. If dermatitis persists consult a veterinarian.
