15 fl oz (444 ml)

ABSORBINE[®]

The Horse World's Most Trusted Name[®]

HOOFLEX[®]

THERAPEUTIC CONDITIONER • ORIGINAL LIQUID

- Treats Brittle Hooves
- Original Breathable Moisture Balance
- Antibacterial & Antifungal to Help Prevent Infection
- Easy-to-Apply, Year-Round
- Helps Protect Hoof Wall, Sole & Frog

For over 70 years, Hooflex[®] has been used to help restore and support flexible, healthy hooves. Hooflex[®] Liquid Conditioner works in **wet or dry** conditions because it maintains a **breathable moisture balance**.

Directions: To Maintain Healthy Hooves: Clean hoof then apply small amount with brush to hoof wall and coronet. Repeat weekly. For added protection, apply to hoof sole and frog to restore and protect breathable moisture balance.

For Cracked or Chipped Hooves: Apply two or more times a week to hoof wall and sole until crack or chip grows out. Check for infections that may prevent the crack from growing out. If severe bacteria or fungi are present, consult your veterinarian or farrier.

Caution: COMBUSTIBLE. **KEEP OUT OF THE REACH OF CHILDREN.** For external use only. Do not apply to irritated skin. If excessive irritation develops, discontinue treatment. Avoid getting into eyes or on mucous membranes. **FOR ANIMAL USE ONLY.**

Store Hooflex[®] Liquid at room temperature for easy application.

Active Ingredients: Neatsfoot Oil (Bubulum Oil) 22%, Lanolin 13%, Chloroxylenol 1.5%

Inactive ingredients: Paraffin, Mineral Oil (Paraffinum Liquidum), Petrolatum, Pinus Palustris Wood Tar, Rosin, Turpentine
