## **ELLOW JACKETS** giving you headaches?

## Catch them with the professional Advantage Yellow Jacket Trap...

Air Flow

Top & Bottom entry holes increase air flow, pulling in yellow jackets from 30' or more.

**Durable Permanent Trap Body** will last many seasons saving money on trap replacements.

Yellow jackets are lured inside the trap and cannot find their way out. Complete instructions are included inside each trap. 6 traps/case.

2ea 15day Lure Foil Packets

Southern, Eastern, Common & German Yellow Jacket Banquet

30-Day

## Advantage Yellow Jacket Trap

Offers trapping attraction for whatever the area! A carbohydrate bait (30 days supply) is included

in each trap for the Southern, Eastern, Common and German yellow jackets for states east of Texas, including Texas. A membrane lure (30 day attraction) is included in traps for states west of Texas. Dependant on your area of the country, we have the right bait for your yellow jacket problem! Visit our website for more tips on seasonal baiting, trap placement and more. Also, sign up for our e-Newsletter and/or request our CD Catalog.
