

DIRECTIONS			13-3-4	GUARANTEED ANALYSIS	F1262										
For best results, apply in early spring and late fall. Water well before application. Using a hammer and the plastic driving cap, drive spikes even with the soil's surface. Remove the cap and continue hammering spike at least two more inches below the surface. Spikes should be evenly spaced in a circle along the tree's dripline.				DERIVED FROM: Ammonium Phosphate, Ammonium Sulfate, Potassium Chloride, Chlorine (Cl) not more than 4%											
NOTE: NEVER INSERT SPIKES CLOSER THAN 30 INCHES FROM THE TREE TRUNK.			ALSO CONTAINS NON-PLANT FOOD INGREDIENTS Nitrosopumilus maritimus 52,203.9 Colony Forming Units/gram

<small>*Measure trunk diameter one foot above ground level. For shrubs, use one spike per three feet of height.</small>															

Jobe's

FERTILIZER SPIKES

JOBE'S® SPIKES FEED AT THE ROOTS

Jobe's® Fertilizer Spikes formulated with Jobe's Biozome® are specially designed to feed all varieties of evergreens where they need it most, at the roots. Unlike other types of fertilizers, Jobe's spikes are pre-measured, giving your plants just the right dosage of nutrients so you won't overfeed or burn them. And, by feeding underground, away from the soil surface, Jobe's slow release formula prevents waste and chemical runoff. Do the right thing for your evergreens – Feed with Jobe's Fertilizer Spikes with Jobe's Biozome.

Made in the U.S.A.

FEEDS ALL SEASON LONG
WITHOUT RUNOFF

FERTILIZER SPIKES

GROW LUSH EVERGREENS WITH JOBE'S®

Jobe's® Fertilizer Spikes with Jobe's Biozome® are formulated to provide the essential nutrients evergreens need to grow and thrive. Jobe's Spikes come pre-measured to provide just the right amount of nutrients without surface fertilizer runoff. Just hammer the spikes into the soil under the plant's dripline and Jobe's does the rest. Do the right thing for your evergreens – Feed with Jobe's Fertilizer Spikes with Jobe's Biozome.

IMPORTANT: Read directions before applying. **KEEP OUT OF REACH OF CHILDREN AND PETS.** Store in a cool, dry place and use soon after opening.
