

LEATHER FINISH

Durable Leather Protection

Use on any color smooth leather
Protects new leather, restores worn leather
Dries to a soft gloss

Net Contents:
8 oz. (236 mL)

LEATHER FINISH

The professional formula protects leather and adds a handsome, lustrous shine. It creates a flexible, durable protective coating for any color smooth leather. Use on tack, boots and leather clothing – it is ideal for Western saddles to protect tooling and light hued leather. For best results, clean item with Leather Therapy® Wash before applying Leather Therapy® Leather Finish. Not for use on suede.

DIRECTIONS FOR USE: Shake before using. The leather must be completely dry before application. Apply sparingly with gentle, multi-directional strokes with a soft sponge. Allow to dry thoroughly. Repeat application on scuffed areas or for a higher gloss finish, allow to dry between applications. Do not use on suede.

IMPORTANT: Always test in a hidden area first. Non-flammable.

Care Tip: For quick results, gently dry the treated area with a hair dryer set to "warm" and "low".

CAUTION: KEEP OUT OF REACH OF CHILDREN. Do not ingest. In case of contact with eyes, flush with plenty of water. Wash hands after use. Use in ventilated area. Keep from freezing. Dispose of container properly.
