

# BONIDE LIQUID PLANT FOOD 10-10-10

## DIRECTIONS FOR USE

Apply only as directed.

Ideal for feeding all your houseplants each time you water.

Squeeze 7 drops into one quart of water.

If you feed your houseplants once or twice a month,  
use up to 14 drops per quart of water.

## GROWING TIP

Over watering is a common cause of houseplant damage. Water when soil is dry or the pot feels light. Use of a watering meter helps too. Repot once per year into properly sized pots. Follow recommended light, temperature, and humidity guidelines for your plants.

### Guaranteed Analysis 10-10-10

Total Nitrogen (N).....	10%
3% Ammoniacal Nitrogen	
7% Urea Nitrogen	
Available Phosphate (P <sub>2</sub> O <sub>5</sub> ).....	10%
