The Natural Glo® Difference:

For over 161 years, Manna Pro® has been making foods and supplements that help horses grow healthy and strong. We believe that every animal that comes down our path deserves the best nutrition possible, which is why we are proud to provide our line of Natural Glo® Rice Bran supplements. Natural Glo Rice Bran Oil is a concentrated source of fat that is an ideal solution for adding calories to your horse's diet.

HIGH IN FAT TO BUILD BODY CONDITION. Natural Glo Rice Bran Oil is high in natural plant-based fats, which provide extra calories for hard-working, growing, or underweight horses.

NATURALLY HIGH IN VITAMIN E. Antioxidants, like Vitamin E, are critical to help support a healthy immune system.

EXCELLENT SOURCE OF ESSENTIAL OMEGA FATTY ACIDS. These nutrients help improve your horses' coat condition and gives their coats a healthy, shiny glow.

IDEAL FOR ALL HORSES. Natural Glo Rice Bran Oil is ideal for all horses, including hard-working performance horses, underweight horses, senior horses, adult horses who need to build body condition, and young, growing horses.
