**FOR PEST MANAGEMENT PROFESSIONALS, LIVESTOCK PRODUCERS, AND COMMERCIAL USE ONLY**

**ACTIVE INGREDIENT:**
- Imidacloprid, 1-[(6-Chloro-3-pyridinyl)methyl]-N-nitro-2-imidazolidinimine .......................... 0.50%
- Z-9-Tricosene ........................................... 0.10%

**OTHER INGREDIENTS: .................................................................................................................. 99.40%**

**TOTAL: ..................................................................................................................................... 100.00%**

---

**STOP - Read the label before each use. KEEP OUT OF REACH OF CHILDREN CAUTION**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**
- Harmful if swallowed, absorbed through skin, or inhaled. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco.

**FIRST AID**
- **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice.
- **IF INHALED:** Call a poison control center or doctor for further treatment advice.
- **IF SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- **IF IN EYES:** Hold eyes open and rinse slowly with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. The Emergency Response Telephone No. is 800-334-7577. Not To Physician: No specific antidote is available. Treat patient symptomatically.

**ENVIRONMENTAL HAZARDS**

This product is highly toxic to aquatic invertebrates. Do not apply directly to water, or areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinseate. This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area. The chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination.

**PRO FACTS**
- Fast acting
- Ready-to-use bait
- Controls insects in the presence of water
- Contains organophosphates and carbamates

**CONTROLs**
- Granular
- Fly bait
- Contains the attractant Muscalure®
- Contains Bittering agent to help prevent ingestion by animals, children, and pets

**WHERE TO APPLY**
- Around the outside of structures or partially enclosed or protected areas
- In and around agricultural production facilities
- Around the outside of commercial facilities

**RE-APPLICATION**
- Re-apply every 7 days as needed.

**QUESTIONS?**
- For questions or comments, call toll-free 1-800-843-1702 or visit us online at www.MAXFORCE.com

---

**MANAGEMENT TIPS**

- For best results: use the bait as part of an overall integrated Pest Management program.

- Use proper sanitation and manure management.
- Use along with dilutable sprays like TEMPO.
- Use environmental controls, such as proper light management.
- Consult with cooperative Extension.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in a cool, dry place and in such a manner as to prevent cross-contamination with other pesticides, fertilizers, food, or feed. Store in original container and out of the reach of children, preferably in a locked storage area. Handle and open containers in a manner as to prevent spillage.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty container. Dispose of container at an approved waste disposal facility or by incineration if allowed by state and local authorities. Do not use container in connection with food, feed or drinking water.

**SPILLS:** If the container is leaking or material is spilled, carefully sweep up spilled bait and wash exposed area. In spill or leak incidents, keep unauthorized people away. You may contact the Bayer Emergency Response Team for decontamination procedures or any other assistance that may be necessary. The Emergency Response Telephone No. is 800-334-7577 or contact Chemtrac at 800-424-9200.

**IMPORTANT: READ BEFORE USE**

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, warranty, disclaimer of warranties and limitations of liability.

**CONDITIONS:** The directions for use of this product are believed to be adequate and should be followed carefully. However, because of manner of use and other factors beyond Bayer Environmental Science’s control, it is impossible for Bayer Environmental Science to eliminate all risks associated with the use of this product. As a result, crop injury or ineffectiveness is always possible. All such risks shall be assumed by the user or buyer. Any such risks shall be assumed by the user or buyer.

**DISCLAIMER OF WARRANTIES:** Bayer Environmental Science makes no other warranties, express or implied, of merchantability or fitness for particular purpose otherwise. This extends beyond the statements made on this label. No agent of Bayer Environmental Science is authorized to make any warranties beyond those contained herein. Bayer Environmental Science disclaims any liability whatsoever for special, incidental or consequential damages, resulting from the use or handling of this product.

**LIMITATION OF LIABILITY:** The exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid, or at Bayer Environmental Science’s election, the replacement of product.
