DIRECTIONS FOR USE

**Always read label directions and precautions prior to use.
Shake well before using and periodically during use.**

Hold container 6 to 8 inches from exposed skin and spray with a slow sweeping motion. Slightly moisten skin, and spread with hand after application for maximum protection. To apply to face, first spray a small amount in the palm of your hand and then spread on face and neck. Do not spray eyes or mouth directly. Do not apply to clothing as product may cause staining. Reapply every 2 hours or as needed. May also be used on dogs, horses and other animals. Do not use on cats, birds or reptiles. Avoid the eyes, nose/nostrils and genitals when applying on animals.

Common Sense Precautions

CAUTION: Keep Out of Reach of Children

We recommend good safety practices when using any skin repellent, such as avoiding contact with eyes and mouth, and avoiding directly breathing spray mist. Do not apply to the hands of children. Adult supervision is required when applying on children. If product gets in eyes, flush with water for at least 15 minutes. If more than an incidental amount is swallowed, seek medical attention. May cause an allergic skin reaction on individuals or animals who are sensitive to essential oils. If skin irritation occurs, wash treated area with soap and water. Seek medical attention if irritation persists. If seeking medical attention, have this label with you.

Physical Hazards: Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Exposure to temperatures above 120 °F may cause container to burst.

Storage & Disposal: Store in a cool, dry area, out of reach of children. Dispose of in trash or offer for recycling if available. Do not puncture or incinerate.
