

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Allow 10 to 30 minutes, depending upon the size of the area, for product to take effect. Each mat lasts a maximum of 4 hours and each cartridge lasts a maximum of 12 hours. Mats turn from pale blue to white when repellent has been exhausted. Use one appliance/lantern for each 225 square feet or 15 feet in diameter. To change mats, make sure appliance/lantern is off and cool, then push used mat out by inserting a fresh one. **Use Restrictions:** Only for outdoor use as an insect repellent. Do not use indoors, in tents or in any enclosed area. Do not insert anything other than ThermaCELL® mats into the appliance/lantern. Cover or remove all exposed food. Do not leave appliance/lantern unattended or use in windy conditions. Do not expose appliance/lantern or mats to rain. Do not attach appliance to your body or clothing. Place appliance/lantern on a flat, stable surface with the grill facing upward. Clean with a damp cloth only when the appliance/lantern is cool and inactive. Butane cartridges other than ThermaCELL® cartridges will not work in this appliance/lantern.

ThermaCELL® Mosquito Repellent and Patio Lantern

1. Remove one mat from wrapper.
2. With appliance or patio lantern off and completely cool, insert mat under grill.
3. Remove appliance cover or patio lantern top and butane cartridge cap. Screw cartridge into appliance or patio lantern globe and replace appliance cover or patio lantern top.
4. **Full Size Appliance and Patio Lantern:** Move switch to 'ON', wait 5 to 10 seconds then depress 'START' button 3 to 5 times in rapid succession. **Compact Appliance:** Slide open window covering ignition port. Hold lit match or lighter near ignition port. Slide window closed to cover ignition port. **Compact Appliance with Self-Start:** Screw cartridge into appliance, wait 5 to 10 seconds then click start button 3 to 5 times in rapid succession.
5. Verify appliance or patio lantern is heating; orange light will glow. If the light is not glowing, make sure cartridge is completely screwed into place; then repeat step 4. Place on a flat, stable area.
6. **Full Size Appliance and Patio Lantern:** When finished using, turn switch to 'OFF'. **Compact Appliances:** When finished using, unscrew cartridge.
7. Allow to completely cool and then store.

STORAGE AND DISPOSAL Do not contaminate water, food or feed by storage or disposal. **Storage:** Store unused mats in original box in a cool, dry place inaccessible to children and pets. Store unit and butane cartridges in original box in a cool, dry place away from sources of heat. **Disposal:** Non-refillable container; do not reuse or refill this container. **If cartridge is empty or for used mats:** Do not reuse empty packaging, wrappers or cartridges. Do not puncture or incinerate empty cartridges. Place in trash or offer for recycling if available. **If cartridge is partly filled or for unused mats:** Call your local solid waste authority for disposal instructions. Never place unused mats down any indoor or outdoor drain. Batch Code:

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals CAUTION: Harmful if inhaled. Do not breathe vapors. Remove and wash contaminated clothing before reuse.
